How much will YOUR Team Earn?

Team Work Makes The Dream Work

Flipgive works best when the whole team joins in. Imagine how much you'll earn if your entire team did all their shopping through FlipGive.

Who to invite?

Invite those who will benefit from the money raised - that could be parents, players, managers and coaches.

How to get your team on board

First you must choose how you want to distribute earnings - either back to each player or as a shared pool of funds. You will then be given a unique team invite code to share with parents, players, coaches and managers. They simply enter this code when they sign up and they'll be added to your team. They can start earning right away and also invite their family and friends to join.
